Choreographer's Notes: The song "Boot Scootin' Boogie" was written by Ronni Dunn of the future duo, Brooks & Dunn, and was first recorded by Asleep At The Wheel in 1989, but was never released as a single. I bought the Asleep At The Wheel tape hoping that this song, with such a good name for a line dance, would be suitable for a line dance. As far as we know, this was the first line dance to be called "Boot Scootin' Boogie", choreographed in 1990. It remains one of the most widely danced versions and was used to set the official **Guinness World Record for the World Largest Line Dance** (Australia, 1996,-97,-98,-99, 2000). This step description shows the way the dance is done in most parts of the world, with the last 8 counts slightly simplified.
